Dear Parent,

Welcome to Week 7 and Week 8 of the term. School life has very much settled into a routine with students busily engaged in learning in and outside the classroom. Many students are also involved in a busy after school programme of sports and clubs as well. With the school in full swing this is an excellent time to come round and take a look on the Secondary Open Day next week. I look forward to seeing you there!

Author Abroad- 'Words on Fire'

Over the last two days students in Year 7-10 have been involved in a series of poetry workshops as part of the learning activity around the visiting author. We look forward to sharing with you some of the students' work in the next Newsletter.

Secondary Open Day

All parents are invited to attend an Open Day on the Secondary Campus next week. Please arrive at 9.15 a.m. for a briefing in the Small Hall. Following the briefing parents will be free to visit classes from 9.45 to 11.45 a.m. Please note that this is the correct date and not the 16th October as listed in last week's Newsletter.

Head Students

This week in Secondary we had the final part of the applications from Y13 and Y12 students to be Head Boy/Girl and their Deputies. The candidates took part in hustings and delivered speeches to the whole school saying exactly why they believe they should be Head Boy/Girl or Deputy.

We witnessed some amazing and inspirational speeches, full of passion, integrity and grace in what can be a nerve-racking experience.

This made for difficult decisions in the voting as all the candidates gave excellent presentations.

Following much deliberation and the student and staff voting, we are delighted to announce the results as follows:

Head Students:

Gifty Tawiah

M. Umar Peera

Ahmed Nawaz

Toqa Darwish

Well done and congratulations!

Year 7 Trip to Dibba: 2nd - 4th February 2017

We are excited to be running our first ever trip to Dibba on the East coast of the UAE. Dibba is within easy access to mountains, desert and the coast and is a safe environment for outdoor learning. Facilities include climbing and abseiling, obstacle courses, mountain biking, kayaking, archery, beach games and team building.

There will be a presentation for all Year 7 parents in the Small Hall

KS3 Science is moving to Digital!

All students in KS3 will have been given their username and password to access the new E-books for the Science curriculum. This means that they will not be given a specific text book to take home. Please check with your child that they have their login details and can access the resources.

The website address is: <https://www.pearsonactivelearn.com/>

If there are any issues with access please inform your child's Science class teacher who will be happy to assist.

PSHE day

Students are off curriculum to spend a day working with tutors. Younger students will be focusing on Personal, Social and Health education topics. Older students will be doing workshops on exam and study skills as well as Careers Planning.
